

College Roommate Skit (reflexive verbs)

One of you will be head of a college dorm (el dueño/la dueña de la residencia). The other will be an incoming freshman. The dorm head is conducting interviews to match up roommates. The dorm head will ask questions about the student's daily schedule, lifestyle habits and hobbies, to find out which students would make good roommates.

You will conduct a total of **4 short interviews** and decide which pairs should go together.

Include the following:

- Reflexive verbs to talk about daily schedule

¿A qué hora te levantas?

Yo me levanto a las 10:00 de la mañana.

- *Te gusta/me gusta* to talk about preferences and hobbies

*Be creative in writing different personalities for the students!

*Be sure to decide which students you will pair together.
